

Trump Turnberry Golf Resort, Scotland

Project

Trump Turnberry is the ultimate golf and spa destination in Britain and winner of Scottish Hotel of the Year at the 2018 Scottish Hotel Awards.

The resort was undergoing an extensive refitting and expansion programme and Perfect Shutters were asked to specify and install luxury window coverings that would provide maximum privacy and light control for every hotel bathroom within a 2-week deadline.

Solution

Perfect Shutters specified and installed S-CRAFT Full-Height Plantation Shutters in Antigua material to every marble finished bathroom in the hotel resort, and to Trump Turnberry's most exacting standards.

Our work even got the "Presidential seal of approval" from Donald Trump himself. The project was completed on time and within budget.
